SUGGESTIONS

CLOTHING - Your choice of clothing is important to your portraits. Wear something in which you feel comfortable. Be sure everything fits properly.

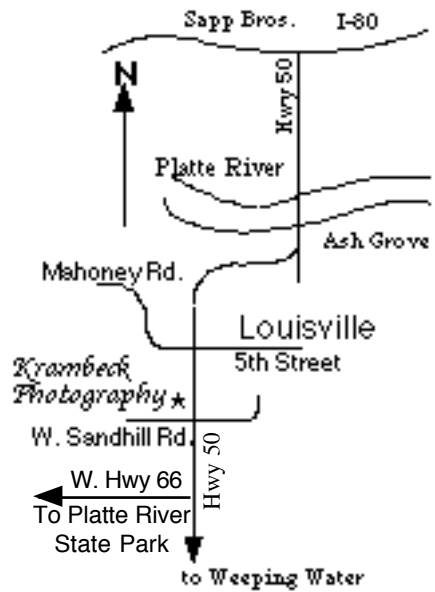

If an outdoor sitting is chosen, clothing should be less formal. Suits, ties or high heel shoes appear out of place in an outdoor portrait sitting. Slacks, jeans, sweaters and knit shirts look much more natural.

EYEGASSES - It is important to reduce the chances of lens magnification, reflection and darkening of photogray lenses. If you wear glasses, ask your optician to lend you a pair of empty frames in your style.

MAKE-UP AND HAIR- Try to keep your make-up and hair as natural as possible. Wear you hair the way you like it best. Wait about a week after a haircut to have your portrait taken, this will allow the freshly cut ends to blend into the hair style you desire. Avoid "trying out" a new hairstyle at the time of your portrait sitting.

CHILDREN - Bring a special toy that will make the child comfortable during the sitting. A rocking chair, cowboy outfit or dance costume helps to bring out your child's personality. We will be glad to discuss all the possibilities when you make an appointment.

RETOUCHING - Minor negative retouching can remove blemishes, soften lines and dark areas under the eyes. It cannot eliminate stray hair, shorten beards or mustaches, alter teeth or remove glare or darkened photogray lenses.

Krambeck Photography

14336 West Sandhill Road
Louisville, NE

Our studio is located in our home outside of Louisville. If coming from the north, we are 3/4 mile south of Louisville on the northwest corner of the intersection of West Sandhill Road and Highway 50. From the south, Sandhill Road is 1/2 mile north of the intersection of Highway 50 and West Highway 66.

Look for a two-story home painted white with green shutters and a white porch on the front. A sidewalk around the porch will take you to our studio.
